STATE C. E. BOARD FURTHERS PLANS OF CONVENTION

IMPORTANT CONFERENCES ARE
HELD IN GLENDALE BY
VARIOUS OFFICIALS

By GLEN and DALE

Saturday and Sunday were important days for Glen and Dale. The state executive committee of Christian Endeavor met in the Christian Endeavor auditorium, John Brown tabernacle, in regular quarterly session. The custom has always been to hold the meeting preceding the state convention in the convention city. There were seventeen officers and superintendents and seven county presidents present.

The first session was held Saturday afternoon at 3 o'clock. The state president, B. Irvin Valentine, presided. At 6:30 o'clock, after a number of officers' reports had been given, adjournment was made to the social hall of the church.

Tables were in the form of a hollow square. There were bouquets of yellow calliopsis and festoons of the purple and gold crepe paper were draped from electric lights to the corners of table.

Officials in Attendance
Yellow sombrero marked places for the guests who included B. Irvin Valentine, state president, Los Angeles; Reese Martin, general secretary, Berkeley; Dr. Harry E. Straub, treasurer, Los Angeles; Paul C. Brown, field secretary, Los Angeles; Harry C. Allan, assistant secretary, San Francisco; Miss Lulu M. Minter, corresponding secretary, Santa Ana; Miss Tillie Genter, assistant corresponding secretary, La Jolla; Arnold Anderson, transportation manager, Oakland; Roy Martindale, assistant transportation manager, and wife, Los Angeles; Miss Mary G. Brown. (Continued on Page 3)

Three More Candidates Out For City Council

Petitions placing in nomination W. B. Kirk, H. W. Yarik and C. H. Muhleman as candidate for members of the City Council are being circulated today. All are well-known citizens of Glendale and each has agreed to enter the contest after being urged by friends.

Five members of the City Council are to be chosen at the municipal election under the provisions of the charter recently adopted by the city. It is understood that Mrs. H. E. Bartlett and Dwight W. Stephenson, at present members of the Board of City Trustees, will be candidates for the council. Other members of the Trustees' Board may also decide to run.

Some time ago R. M. McGee announced his candidacy and last week S. A. Davis was urged to enter. According to reports at the city hall, there will be other candidates.

Mr. and Mrs. J. Joseph Give Elaborate Party

What was termed by the guests present as being the smartest affair given this year in Glendale, was the dancing party given Saturday night at the home of Mr. and Mrs. Jesse Joseph, 201 West Lexington Drive, in honor of the niece and sister of Mrs. H. R. Boyer, Miss Esther Loomis and Mrs. Newell.

Other guests present included Dr. and Mrs. H. R. Boyer, Mr. and Mrs. L. G. Sherman, Mr. and Mrs. Harry Lockwood, Mr. and Mrs. H. R. Gibbs, Dr. E. F. Tholen, Miss Lucille Tholen, Mr. and Mrs. Hal Crossman of Los Angeles, Mr. and Mrs. Maxwell of Los Angeles, Mr. and Mrs. Holland of Los Angeles, Dr. Knickerbocker of San Francisco, Mr. Bobbiel of Los Angeles and Mr. and Mrs. F. A. Conrad of Long Beach.

The party opened with the dance of the bells. Favors of caps with tiny bells and anklets with bells had been given the guests. Music was furnished by Henning's orchestra. During the evening a game of progressive roulette tops was played. Another fun-provoking feature was the mock wedding of Mr. and Mrs. Lockwood, the ritual being read by Mr. Sherman, Mrs. Joseph as the ring bearer and Mrs. Conrad as the bridesmaid. Refreshments were served at 12 o'clock.

GLENDALE VISITORS

Mr. and Mrs. Howard Lennox, ranchers of Van Nuys, spent several days in Glendale last week visiting friends and relatives. Prior to their marriage nine years ago both Mr. and Mrs. Lennox resided in Glendale, when their betrothal was the culmination of a local high school romance.

Mass Meeting Called For Protest Against Plans Of Cemetery

A mass meeting will be held in the former Tropico city hall tomorrow night for the purpose of protesting against the proposed plans of the Forest Lawn Memorial association, which call for an enlargement of the cemetery.

Residents of Southern Glendale, it is stated, are presenting a united front against the proposed plans for the association and they are, it was explained today, interesting the Chamber of Commerce and the various Parent-Teacher associations in the campaign of protestation.

Mrs. E. V. Bacon, 1335 South San Fernando road, president of the Thursday Afternoon club, announces that the mass meeting tomorrow night will be called to order at 8 o'clock and the public is urged to attend.

It is probable that a permanent organization will be formed by the residents of Southern Glendale, not only to fight the memorial association's plans, but to carry out suggestions or the betterment of the southern section of the city.

Parents whose children attend the Cerritos school and those having property on South Glendale avenue are expected to attend the mass meeting in numbers tomorrow night.

A petition against the association's ordinance, which is now before the board of city trustees, is being circulated today and is receiving many signatures.

SIX PERSONS HURT ON SAN FERNANDO ROAD IN CRASH

DR. CASSIUS E. BRAIN, OF THIS
CITY, HAS LEG BROKEN IN
HEAD-ON COLLISION

Six persons were injured, one seriously, in a head-on collision on San Fernando Road north of Broadway, late Saturday night. Dr. Cassius E. Brain of 428 Salem street, Glendale, sustained a broken leg and was rendered unconscious. He was pinned under the wreckage of the car which he was driving.

In this machine were Neal Hountz, Mrs. Mabel Vickers and a Mrs. Palmer, all of Los Angeles, according to Mr. Brain. They were slightly injured and were treated at the Glendale Sanitarium and Hospital.

Mr. and Mrs. Charles Haussman of Los Angeles were in the other car and driving toward San Fernando. They were slightly hurt. Dr. E. W. Taylor attended their injuries. Dr. J. E. Eckles is attending Mr. Brain.

Steering Apparatus Breaks

According to one version of the accident, the steering apparatus on the car driven by Dr. Brain broke while the party was on its way to his home where Mrs. Brain was waiting for them. She owned the machine and it is not covered by insurance.

Both cars were turned over and completely wrecked. That someone was not killed seems remarkable to those who arrived on the scene a few seconds later.

J. Marsolo of 1798 North Main street and M. Lomasney of 5644 1/2 Sunset boulevard collided yesterday in the same vicinity that Saturday night's accident occurred. Both cars were smashed, but no one was injured. Several other minor crashes were reported over the weekend.

Luncheon, Whist Party For Members Of Club

A very-pleasant afternoon was enjoyed by the members of the Semi-Monthly club, which met last Wednesday at the home of Mrs. Charles Rudel, 315 West Vine street. A three-course luncheon was served at 12:30 o'clock by the hostess. This was followed by a game of whist, high score being made by Mrs. Mary O'Brien and Mrs. Charles Rudel. The prizes were beautiful hand-painted plates.

The twelve members present included Mrs. Henry Doll, Mrs. J. Houle, Mrs. Mary O'Brien, Mrs. Herman Nelson, Mrs. Jess Chappius, Mrs. Peter L. Ferry, Mrs. Fred Heusman, Mrs. Carrie Smith, Mrs. J. Lundgren, Miss Emma Ruprecht, Miss Pauline Ruprecht and the hostess, Mrs. Charles Rudel.

WILL DEVELOP RANCH

Mr. and Mrs. Fred Weyer have rented their home at 517 West Patterson avenue to a Mr. and Mrs. Greenberg, and will go to Bellflower to develop a ranch they have there, and which they intend to sell. They will again return to Glendale and remain here permanently.

PETER MAC FARLANE AT CHAUTAUQUA FOR TONIGHT

NOTED WRITER TO LECTURE;
PRELUDE TO BE GIVEN
BY LEWIS COMPANY

A program which attracted crowds of lovers of music and the unusual was that given at the Chautauqua Saturday afternoon by the Jugoslav orchestra of eastern Europe which presented a most attractive selection of musical numbers. The players appeared in the colorful costumes of their native land and sang and played their own Slavic music, as well as playing grand opera selections and popular music. The instrument used was the tamburica, which for generations has been the household instrument of their people, and is similar to the mandolin or guitar, but has a larger volume and greater sweetness of tone. In the evening this orchestra furnished the prelude, which was followed by a most interesting lecture by Tom Skehill, an Australian soldier-poet, on the condition in Russia. As the Soviet government allowed passports to Bolsheviks only he smuggled his way across the frontier and studied conditions there. His lecture was the story of conditions as he found them.

Sunday Afternoon Program

The Sunday afternoon program was most inspiring. The first number was an interesting and splendid talk by the Rev. Father D. J. Cronin on "The Weeds and Flowers of Literature." Rev. Cronin is of the opinion that "A man's library is an index to his character," and explained (Continued on Page 5.)

Mr. and Mrs. G. Warren Return From Long Trip

"Hello! Is this The Evening News? Yes, please send The News to my address indefinitely. I am home for good."

"Incidentally I might tell you that we came home to get warm." So say Mr. and Mrs. George H. Warren of 640 North Maryland avenue, who have brought their delightful but prolonged visit to a close. Their wanderings through the eastern states and Florida date from September last and in each state and city they found the natives using the good old stock phrase: "This is most unusual," to describe the chill and discomfort that has been general. However, winter in the east is one condition, while spring and their radiant summers are quite another.

"The frequent spring showers of the east bring a freshness and perfume that is equalled only by our California orange orchards, while the spring and fall glories of the beautiful eastern hills are surpassed only by those of a California summer," said Mr. Warren.

"The 'high spots' of Florida are picturesque and attractive indeed. Palm Beach and Daytona being raised to the 'nth power'—however, all the splendors of nature are not piled in any one corner of the earth."

Mr. Warren, born and reared in Massachusetts thinks that any man who is permitted to be born in the east and to finish his days in California is fortunate indeed.

Anywhere in the United States for a nice visit, but California for home is the ultimate decision Mr. and Mrs. Warren reached.

Mrs. S. M. Brooks Given Party On Her Birthday

Mrs. S. M. Brooks of Ventura was the guest of honor at a dinner given in honor of her eightieth birthday at the home of her daughter, Mrs. W. F. Wood, 1470 East Wilson avenue, on Sunday.

About forty relatives and friends were present to congratulate her and to enjoy the dinner with her, a feature of the decorations being place cards in the form of photographs of Mrs. Brooks.

Those present were Mrs. S. M. Brooks of Ventura, Mr. and Mrs. Charles Thacker of Van Nuys, Dr. and Mrs. Horace McCoy of Long Beach, Mr. and Mrs. Paul McClure and children, Charles and John, of Van Nuys; Mr. and Mrs. Forest W. Wood and children, Louise, Dixie, Elsie, William and Gordon, of Marion; Mr. and Mrs. A. R. McArthur, of Pasadena; Mr. and Mrs. B. Edmondson, Miss Fanny Edmondson, R. B. Edmondson, Jr., Mr. and Mrs. Mitford Crinklaw and daughter, Virginia, Mr. and Mrs. Leslie McClary, all of Oxnard; Mrs. S. E. Walker and Mr. and Mrs. Edward Ward, all of Los Angeles; Mr. and Mrs. Charles Crinklaw of Calabasas, Mr. and Mrs. Harry W. Chase and daughter, Margaret, and Mr. and Mrs. W. F. Wood and Dale T. Wood of Glendale.

Today's World News In Brief

(By United Press to Glendale Evening News)

VALIDITY OF PROHIBITION AMENDMENT REAFFIRMED
WASHINGTON, May 16.—The validity of the prohibition amendment was reaffirmed by the supreme court today. All sections of the amendment have now been upheld by the court, thus making it certain that future attacks will be futile.

SEVEN BELIEVED LOST WHEN BARGE GOES INTO STORM
SAULT STE. MARIE, Mich., May 16.—Hope was abandoned today for the seven members of the crew of the barge Miztec, which broke loose from the steamer Sillah, off White Fish Point, in a snowstorm Friday night. The barge Beshtigo which also broke away was picked up and brought here today. The Miztec carried a captain, woman cook and five seamen.

TWO HEAVY SAFES BLOWN OPEN IN LOS ANGELES PLANT
LOS ANGELES, May 16.—Cracksmen obtained several thousand dollars in loot when they blew off the doors of two safes with heavy charges of nitroglycerine at the offices of the Coca Cola bottling works on South Central avenue early today. The robbery was discovered when the place was opened for business today. One safe door was blown a distance of thirty feet.

SIX DEAD, MANY WOUNDED RESULT OF W. VIRGINIA WAR
WILLIAMSON, W. Va., May 16.—Peace hopes in Mingo county's mine war were strengthened at sun-up today when the snipers' positions in the West Virginia hills were quiet. Authorities, however, feared new attacks on the half dozen little mining towns in the Tug river valley might open at any time. The industrial war between striking coal miners and company employees was quieter yesterday than at any time since the desperate engagement began last Thursday morning.

RAID SINN FEIN MEETING PLACES RESULT OF FIRES
LONDON, May 16.—Raiding of Sinn Fein meeting places continued here today as a result of eleven attempts to fire buildings in London and surrounding towns yesterday. Suspected Sinn Feiners and documents were taken to police stations for careful examination. The discovery of penciled notes on the addresses of relatives of members of the Royal Irish constabulary bore out the first belief that the incendiarism was meant as a reprisal for the constabulary's work in Ireland.

HAYWOOD SAYS HE WILL RETURN TO SERVE SENTENCE
LONDON, May 16.—William D. Haywood will return to the United States to serve his twenty-year sentence in Leavenworth prison, he declared today in an exclusive statement wirelessly to the United Press from Moscow. The I. W. W. leader whose disappearance brought bitter criticism from associates who were also under sentence for hampering the nation's war activities announced he will return after the third internationale and other conventions have been held in Moscow. Haywood's bondsmen will not suffer loss, he said.

ENTRY OF GERMAN TROOPS TO CAUSE ANARCHY, CLAIM
SCHOPPINTZ, Upper Silesia, May 16.—"Anarchy will reign in Upper Silesia if Germany is permitted to send troops into the country," Adalbert Norfanty, Polish leader, declared today in an interview with the United Press. "The Germans will be slaughtered if they advance," he declared. "A division of Upper Silesia, giving Poland less than she claims will result in anarchy." Norfanty said he planned to retire as soon as the allies reach a decision regarding Upper Silesia. "But if the decision is not just," he declared, "if it does not give Poland the territory marked by the Korfanty line, anarchy will follow."

SUPREME COURT HOLDS INHERITANCE TAX LAW VALID
WASHINGTON, May 16.—The federal inheritance tax law enacted September 8, 1916, was held valid by the supreme court today. The federal government's method of determining the tax also was sustained. In computing the tax, the government refused to all deductions from the amount taxable of the payments that were made by executors of estates to the various states. Justice Pitney read the decision of the court. The decision means that many millions of dollars will be kept in the treasury, according to government estimates. The suit was brought by the Yabelle Iron works, a West Virginia corporation when the commissioner of internal revenue imposed a tax on it of more than \$1,000,000 for the increased value of ore lands in Mesabirange.

FRANCE TO WITHDRAW FROM ENTENTE, TO BE THREAT

PARIS, May 16.—Premier Briand will threaten France's withdrawal from the entente if Great Britain persists in her "anti-Polish" attitude, it was predicted in official circles today. Briand refused to meet Premier Lloyd George until he has obtained a vote of confidence from the chamber of deputies, permitting him to exert the utmost pressure. Briand and Lloyd George probably will hold a private interview at Boulogne after the chamber meets Thursday. Lloyd George asked for the conference to settle the differences of the two countries in the Upper Silesian controversy. It was predicted here that the meeting will be of the stormiest nature, Briand being thoroughly aroused over Lloyd George's statement before the house of commons, a statement made without consulting French interests.

LOWER PRICES ON EXCHANGE RESULT EUROPE CRISIS

NEW YORK, May 16.—London and Paris ruled the New York stock exchange. The controversy between Great Britain over the final partition of Upper Silesia and the prospect that it will not be settled for some time, operated to lower most of the list. United States Steel was off 1/4 as a result of the situation, opening at 82 1/2. One stock advancing in spite of the bearish tendency of the market was American Sumatra which was pounded down last week on reports of tobacco diseases in Florida and Georgia. The stock was up 3 at 63 on a statement by officers of the company that the plantations will not suffer so much as has been feared. The attack was renewed almost immediately, however. Motors were soft with Studebaker off 1/2 at 77 1/2 and Chandler quickly sold to within 1/2 of the year's low at 65 1/2. Rails were about steady.

MRS. R. M. JACKSON, BUSINESS LICENSE AGED 64, DIES AT HOME HERE TAX AT BURBANK HITS GLENDALE

CHRISTIAN SUNDAY SCHOOL
LEADER; LEAVES RELATIVES
HERE AND IN KENTUCKY LOCAL TRADESMEN WILL FIND
IT HARD TO ENTER FIELD,
IS BELIEF EXPRESSED

Mrs. Alice Ewell Jackson, widow of the late Robert M. Jackson, died yesterday afternoon at 1 o'clock at her home here, 206 East Wilson avenue. She was 64 years of age and preceded in death by her husband 10 months ago.

Mrs. Jackson was well known for her work as a Christian Sunday school leader and in her passing a wide circle of friends will mourn the loss of a woman who endeared herself to them by the many little things which count for so much in this earthly life. Mr. Jackson, too, was widely known as secretary of the local Elks' lodge and the Chamber of Commerce prior to his death.

Mrs. Jackson leaves a step-mother, Mrs. R. L. Ewell of London, Kentucky; a sister, Mrs. Ewell Smith, with whom she was staying when she passed away; four brothers, R. R. Ewell of Arkansas, Major George Ewell of Fort Sheridan, Illinois, John Ewell of Lexington, Kentucky, Logan Ewell of Benham, Kentucky; five nieces, Mrs. Ben L. Logan of Pineville, Kentucky; Mrs. L. A. Phillips of Los Angeles and Mrs. Mattison B. Jones, Mrs. F. W. Pigg and Mrs. W. E. Evans of Glendale.

Funeral services will be held tomorrow afternoon, Tuesday, May 17, from the Little Church of the Flowers at 3 o'clock. The Jewel City Undertaking company is in charge of arrangements.

Many Attend Dance Of Truck Co. Workers

At least 300 employees and friends attended the dance given Saturday night in the social hall of the Moreland Motor Truck company at Burbank by the Athletic division, of which Ed Swearingen is chairman, and who was assisted in the arrangements for the dance by the officers of the Moreland Social Welfare club: Vic Wagoner of Glendale, president; A. C. Watley, vice-president; Miss Elsa Balsinger of Los Angeles, secretary.

Decorations of pictures of baseball games, players and fans, real baseballs and bats and pennants and other sporting paraphernalia decorated the walls of the social hall. Music was furnished by a four-piece orchestra. During the evening punch was served.

Real Snow Shovel Is On Display At News

To prove that he was advertising a real snow shovel for sale, L. B. Beach of 1227 North Brand boulevard brought that southern California curio to The Glendale evening News office where it is now on display.

In the classified columns he is advertising furniture which he had shipped from storage in Pueblo, Colo., his former home, and finds he will not need here. When he came here for the winter, Mr. Beach had no intention of staying, but it's the same old story—Glendale won.

Informal Dance Given By Unity Lodge, 368

Members of Unity Lodge No. 368, F. and A. M., were hosts at a very delightful informal dance given in the Masonic Temple Saturday night. The committee in charge consisted of S. S. Gilhuly, chairman; Charles Wolfe, A. H. Lapham and George Blyth. Music was furnished by a three-piece orchestra. During the evening delicious punch and wafers were served. The dance was attended by thirty-five couples. It had originally been planned to hold this dance last month, but on account of a Tuesday Afternoon club entertainment it had been postponed.

Elks All American, Says Father O'Neill

The Whistler, the publication issued by the Glendale lodge of Elks, contains the following: "Congratulations to our good brother, Rev. J. S. O'Neill on attaining his long-cherished wish for a new church edifice."

Father O'Neill was pleased with the congratulations extended to him through the publication and he remarked: "The Elks are 100 per cent American and one should be proud of the privilege of being a member."

Burbank's board of city trustees tomorrow night are scheduled to adopt a business license tax which will make it unprofitable for Glendale merchants and tradesmen to transact business there.

For instance, launderers will pay \$300 a year, or \$75 quarterly. Real estate dealers will pay \$100 annually.

Plumbers will be taxed \$50 and electricians \$35.

Dairies will pay \$1 monthly on each \$500 worth of business done. And all other trades, business or professions not covered by the numerous specific clauses of the ordinance will be licensed at \$12 each per annum.

Says Revenue Badly Needed

While the principal object of the ordinance, according to City Attorney Victor Watkins and City Clerk F. S. Webster, is to raise revenue which Burbank badly needs, the fact that the Burbank Review refers to it as "protecting the regularly established business concerns of the city," is sufficient to cause concern to Glendale people who have enjoyed the privilege of co-operating in Burbank's growth.

Strictly speaking, the tax is not discriminatory in that Burbank will collect the same amount from its own business people, but it will make grossly unprofitable any work done by outsiders unless they operate in that town on an extensive scale.

Claims City Facing Deficit

F. S. Webster, Burbank's city clerk, this morning told a representative of The Glendale Evening News that the purpose of the ordinance was to raise immediately sufficient revenue to keep the city hall there from closing.

With only \$7,000 in the general fund and \$8,000 more in sight to run the local government until November 1, the \$3,000 monthly expenses for office workers, street, police and fire departments will soon create a deficit which can be met in no other way than the license fees, according to the view taken by the city officials.

Secretary James M. Rhoades of the Glendale Chamber of Commerce will present the matter of Burbank's tax before the board of directors at their luncheon tomorrow noon.

City Manager T. W. Watson of Glendale says in regard to the subject:

"If a high license ordinance is adopted by an adjacent city, possibly for the protection of our own merchants it would be wise to adopt some retaliatory measure."

"But upon general principles, the license ordinance has many objectionable features and the present ordinance in Glendale is for regulation and special service—not for revenue."

Junior Auxiliary Of Music Club In Session

A very interesting meeting of the Junior Auxiliary of the Glendale Music club was held Saturday night at the home of Mrs. Spencer Robinson, 1234 East Windsor Road. After a short business session a program was enjoyed. This consisted of a violin and piano number "Scherzo" (David), by Marcella Webb and Leonore Rose; piano solo "Rustle of Spring" (Sinding) by Margaret West; piano solo, "Butterfly" (Grieg) by Leonore Rose; violin duet by Genevieve Mulligan and Julia Robinson, accompanied by Claudia Wright at the piano.

The young people of the club are showing a great deal of interest and enthusiasm and the membership is steadily increasing. A business meeting will be held in the music room of the high school Thursday afternoon, May 19, at 3:15 o'clock. Members of the auxiliary will give a program for the boys at Thornycroft on Saturday, May 28. The annual picnic of the auxiliary will be held on June 11 at Santa Monica.

Wild Gourd Root Is On Display At News

Dr. A. M. Duncan of 1607 South San Fernando Road this morning brought to The Glendale Evening News office a root of a wild gourd, a desert plant, which measures 31 inches in length and 22 inches around. Its peculiar shape is attracting considerable attention. It was found growing on the lot of Mr. Duncan's neighbor, Mr. Wooley, who has recently moved to 1615 San Fernando Road.

Islands Not Troubled By Shipping Shortage

HONOLULU, T. H., May 16.—In-
ter-island shipping in the Hawaiian
Islands thus far has suffered but lit-
tle from the seamen's strike, all re-
ports showed today. Inter-island
boats are moving practically on
schedule. The waterfront here was
quiet.

Service between here and the main-
land has been reduced, but sailors
here are shipping out on departing
vessels practically without protest.
Plenty of foodstuffs are available,
according to provision men, to pre-
vent the islands feeling a pinch from
the shipping shortage for consider-
able time.

Of the 73,062 persons in the state
of Virginia who served in the world
war, and who are entitled to the Vic-
tory medal with the various battle
clasp, fewer than 15,000 have made
application for their medals.

REV. EDMONDS' TALK IS FOUNDED UPON ONE WORD 'ADD'

PASTOR FIRST PRESBYTERIAN
CHURCH SPEAKS SUNDAY ON
SECOND PETER 1:5-8

Rev. W. E. Edmonds' Sabbath
morning sermon at the Presbyterian
church was founded on the great
word "add" in the passage from II
Peter 1:5-8: "And beside this, giv-
ing all diligence, add to your faith
virtue; and to virtue knowledge; and
to knowledge temperance; and to
temperance patience; and to patience
godliness;—for if these things be
in you and abound, they make you
that ye shall be neither barren nor
unfruitful in the knowledge of our
Lord Jesus Christ." Here's a re-
sume:

"Peter here is setting forth a stir-
ring message. He is speaking of
precious things;—'precious faith,'
'precious blood,' exceeding great
and precious promises."

"The word 'add' is apropos for us
as considering the work in which we
have just been engaged. The enemy
of souls will instigate a slump. In-
stead of that let us be diligent and
'add.' Peter was one with a very
great experience, and no longer
cared for the world's jeering. In time
past he had met his Waterloo. If
he, a man who had touched Christ,
then may any of us meet a fall. What
each one needs is a perpetual Pente-
cost. Peter from the Pentecost on-
ward to his last day was a flame of
fire.

"Now, Peter speaks about the
precious blood of Christ. As you be-
gin to put values on things, put first
value on the precious blood. The
word 'add' is a striking metaphor;
its literal meaning is 'chorus,' refer-
ing to the making together of many
parts into a harmony. All those
things, Peter says, are to be brought
together as a chorus, each in its
proper place and in the same key.
Every gift and grace of the Spirit is
blended that our character shall be
complete.

"Add to your faith virtue." This
word is not well translated; the origi-
nal means 'courage,' spiritual man-
hood. The need these days as never
before is for such courage,—courage
to believe God means what He says,
courage to do and to stand, out in
the open. There are other notes:
add knowledge. Do you know all the
things of God? Do you know how to
lead a soul? The word of God is a
gold mine to those who know it. An-
other note in the chorus is temper-
ance. The true meaning of this word
is self-control. The hardest foe is
self. We will bulk big for service
when self is put fully into harmony
with God. And add patience. How
sweet the harmonies of patience! Pa-
tience with all the things that are
out of fit! Let patience have its
perfect work. And godliness. This
is a gift of sovereign grace, impos-
sible to the earth-bound heart. You
hear about a thing, "What is the
profit?" "Godliness is profitable.
Every man must face death alone;
he needs what is profitable. Godli-
ness signifies your life upward. How
about your life as touching all
around? Brotherly kindness reaches
out sideways, the outlet of godli-
ness. Does anyone feel the touch of
this out of your life?

"Now as to the incentives to live
the chorus life. If these things be
in you, they make you that ye shall
not be barren—that is, idle. Is this
a day to sit down idle? God has not
given us a single moment that we
can afford to lose. Give diligence!
Make speed! Here are opportunities
to get into work, seize them. You
need to take time on the Sabbath to
fill up in order that your life shall
be rich and full. Another incentive,
—that you may be fruitful. Real
fruit, growing out, not tied on.

"If you are diligent about these
things, God will keep you that you
shall not stumble.

"Now, add. Peter writes this in
the shadow of his approaching exe-
cution. 'I am anxious that there
shall be chorused unto you an abun-
dant entrance into the everlasting
kingdom.' A battered ship drifts
unannounced into harbor, cargo lost,
masts and rigging gone. Are you
willing to go in that way? Another
comes in triumphant, on schedule
time, precious cargo all safe, crowds
to bid it welcome,—an abundant en-
trance. Will there be those looking
for you. God help us to heed, to
speed, and at last to reach the goal
through riches of grace in Christ
Jesus."

Glendale Tennis Team
Defeats Citrus Union

Last Friday afternoon the invinc-
ible tennis team of the Glendale High
school annihilated the squad repre-
senting Citrus Union High school of
Azusa by the lopsided score of 14
to 3. Overwhelming victories such
as this are fast becoming a regular
habit with the local squad of racquet
wielders, and when an opposing
school is booked to meet Glendale,
they might as well chalk up a mark
in the defeat column.

The Black and Red athletes are
setting the pace in the Central
league and it is hardly possible that
they will be dethroned from first po-
sition before the end of the season.
The team is composed of Tom Mor-
gan, "Nap" McDonald, Wilbur
Johns, Norman Beggs and Robert
McCourt.

ELKS BEAT LINCOLN
HEIGHTS, 7 TO 6
IN 12 INNINGS

VALLEY LEAGUE FIRST GAME

PROVIDES AFTERNOON OF
THRILLS FOR FANS

Starting the season of the newly or-
ganized San Fernando Valley league
in regular big league style the Glen-
dale Elks yesterday afternoon de-
feated the Lincoln Heights aggrega-
tion by the score of 7 to 6, in twelve
innings of exciting baseball. The
battle was staged on the local lot and
was attended by the largest crowd
of spectators in the history of the
Glendale Athletic field. It is esti-
mated that approximately 700 ex-
cited fans witnessed the struggle.

The afternoon's game started out
with all the earmarks of a Lincoln
Heights victory, and in fact, it still
appeared that way until the last of
the ninth inning, when the home boys
tied the score with two down.

In the second canto the visiting
lads jumped in as though they were
in real earnest, scoring a couple of
tallies and incidentally spotting their
heaver with a two-run lead. This
was done on an infield single, a walk,
a double steal and a snappy double
to left center by the L. H.'s hard hit-
ting catcher, Werden.

Things Are Tied Up
The Elks came back with a pair
of markers in their half of the fourth,
tying things up tighter than a drum.
In this session M. Doll led off with
a single over short stop, advanced to
third on Flanders' one-base clout to
the same territory, and they both
crossed the plate on a long two-bag-
ger to deep left by Crane.

The see-saw act continued to do its
part in the sixth inning when the
L. H. sluggers gathered in another
brace of run on three clean singles.
The locals were unable to do much
with James' curves in this stanza,
but in the seventh they partly made
it up when Sheldon scored from sec-
ond on a liner to right center by R.
Doll.

The visitors further antagonized
the club men in the eighth when
they followed out their precedent and
scored another brace of runs. In
this respect the north Los Angeles
players seemed to be exceedingly
stubborn, in the fact that they re-
fused to make runs in batches
smaller or larger than two. This
may be the reason they were beaten.

Two Out and Then—

Glendale came right back in her
half of the eighth, however, by
mimicing her opponents and also
marking up two counters. Thus the
last half of the ninth rolled around
with "our boys" one run behind, and
the game practically conceded to the
visitors, when—with two out Bohn
singled through second, stole that
base and trotted home with the run
that tied the score on McCloskey's
single to right. Prior to polling out
the welcome single, however, Mc-
Closkey kept the wild bleacherites
in a tense strain by fouling five suc-
cessive balls. When he did single
and Bohn dug his spikes into the
plate with the necessary run the
simultaneous sigh emitted by said
bleacherites was so reverberating
that its vibrations caused the entire
stand to tremble, 's fact!

The winning run was put across in
the twelfth inning when M. Doll
brought his brother R. Doll home
on a long hit to center field.

Van Osdall Breaks Finger
Van Osdall, who started behind
the bat for the Elks, broke his fin-
ger in the fourth inning when it was
tipped by a foul ball, and had to
retire from the game. Brown, a
salesman from the local Nash agency,
replaced him and caught a great
game during the rest of the after-
noon.

Crane, the regular first baseman,
and who played short yesterday, was
the fielding star of the day, accept-
ing eight chances without a bobble.
Bohn also deserves considerable
credit for winning the game, as he
fielded his position perfectly besides
pitching the entire route. The score:

Watching Scoreboard

Yesterday's hero—Wait Hoyt. The
Yankee pitcher held the champion
Indians to two runs while his team
mates piled up 8 and went into first
place in the American League.

Aided by 13 bases on balls, two
wild pitches and a hit batsman, the
Tigers made it two straight from the
Senators, 13 to 10.

The Red Sox busted loose with 4
runs in the tenth. Berrill Pratt
scoring three of them with a homer
and trimmed the Browns, 11 to 7.

The White Sox performed the un-
usual feat of winning two straight.
Muhrennan pitched defeating the
Athletics, 7 to 3.

A ninth inning rally which netted
two runs gave the Giants a 4 to 3
win over the Reds.

The slipping Dodgers were again
bumped by the Cardinals, this time
by a 10 to 6 score.

Vernon Takes Both Of
Games; Others In Split

SAN FRANCISCO, May 16.—
Vernon was the only team able to
run away with both games of a
double header. All the others split
even with their opponents on the
day's work.

Salt Lake took the morning game
from San Francisco, 8 to 1. San
Francisco beat Salt Lake in the af-
ternoon, 6 to 3.

At Los Angeles Sacramento didn't
have a chance in the first game. Los
Angeles won it, 10 to 2. Then the
Solons took the second game, 4 to 1.

Vernon helped Portland keep a
strangle hold on the last place in the
percentage column by beating the
Beavers twice, 4 to 2, and 6 to 2.

The Oaks and Rangers played the
only extra inning game of the day.
It went to Oklahoma, 9 to 8, in ten
innings. Seattle won the second
game, 5 to 3.

House Of Zite-Leen
Open For Business

The House of Zite-Leen, 140
North Brand boulevard, flung open
its doors to the Glendale shopping
public this morning with a line of
men's furnishings and shoes, lad-
ies' clothing and shoes, ladies'
ready-to-wear apparel and shoes and
leather goods. Dry goods which are
not measured by yards also are
handled.

The new store is prettily trimmed
in white with novel display windows
and plenty of light. Six clerks were
in attendance to render perfect ser-
vice to the patrons and from the sat-
isfaction expressed by early custom-
ers on the opening door there seems
to be no question of the success of
the venture.

A. Zeitlin (Zite-Leen), the prop-
rietor, comes here from San Fernando,
where he has enjoyed unmeasured
success during the last six years in a
similar business which still bears the
trade name of Zite-Leen, although it
passed into new ownership months
ago.

Mr. Zeitlin is a native of Russia
and highly educated. He has the en-
terprise and foresight in selection of
goods, advertising, etc., which would
indicate that the opening of his store
here is a decided acquisition for this
city.

Few people are grieving very
much because a tax collector in an
eastern state has been sent to
prison.

Carpentier Arrives,
Looking Pale, Thin

NEW YORK, May 16.—Georges
Carpentier invaded America today to
fight Jack Dempsey for the world's
boxing championship.

Looking rather pale and thin, the
Frenchman walked down the gang
plank from the liner La Savoie
shortly after 11 a. m. He was re-
ceived with cheers by a big crowd
on the dock.

"I am going to win this fight,"
Carpentier said, earnestly, to the
newspapermen who thronged around
him.

"I will win no matter how long
it lasts, but I hope it will be short."

"The betting in Paris when we
left there was about fifty-fifty."

Carpentier said he weighed 175
pounds and that he felt fit. He

PETER MAC FARLANE AT CHAUTAUQUA FOR TONIGHT

NOTED WRITER TO LECTURE;
PRELUDE TO BE GIVEN
BY LEWIS COMPANY

(Continued from Page 1.)
plained this statement. One of the points which was clearly brought out in his speech was the ill effects of reading cheap, trashy stories by young people. His entire talk was interspersed with real Irish wit and was much enjoyed by the large audience.

This was followed by a community sing led by Walter R. Jenkins, accompanied at the piano by Ronald Reed. Mr. Jenkins was song leader of the army and navy camps in the northwest during the war and his is, indeed, a pleasing personality, full of "pep" and enthusiasm. Mr. Reed delighted the audience with a piano solo and Mr. Jenkins with a vocal solo. The entire audience entered into the "sing" with much fervor.

Thanks Are Expressed
F. I. Drexel, director, then thanked the newspapers for the splendid co-operation and publicity given the Chautauqua, which remark was greeted with applause from the audience. He also thanked Miss Ida Waite, Mr. Richardson D. White and others connected with the schools for their help in making the Chautauqua meet a success. He then introduced the next number of the program which was the play, "The Servant in the House," presented by the Keighley players of New York City. This play was a powerful dramatized sermon of universal brotherhood and the characters were most ably portrayed by Robert Bennett, Louis Frohoff, Hallam Bosworth, Carl Reed, Marie Pavey, Lydia Bernard and Anita Wright.

Program for Tonight
The program for tonight will include a prelude by the Sam Lewis Co., which consists of Sam Lewis, distinguished tenor; Florence E. Berny, talented pianist; Allen Ament, the Kentucky violinist, and Amber Hopkins, artistic reader and entertainer. This will be followed by a lecture by one of the great American writers, Peter Clark MacFarlane. One of the features at tomorrow's programs will be Liurance's little symphony orchestra.

Local Lodge Of Elks To Stage Great Show

Members of the local Elks' lodge, as well as other Glendale entertainment lovers, are happily anticipating the benefit theatrical show that is scheduled to be staged by the lodge on the evenings of June 2 and 3. The affair will take place at the Palace Grand theatre, and judging from the interest that is being shown at this early date the house will be packed at both performances.

The entertainment will include a number of vaudeville acts by outside and local professional talent, the headliner being a vivacious three-act comedy, "Mrs. Temple's Telegram." The cast of characters will include such well-known and popular stars as Louise Dressler, Harry Duffield, George Cooper, Louis Calhern, Landers Stevens, Jack Gardner, Billy Fay, Edith Cooper, Will Chapman, Beulah Dunbar and Vern Snively. The entire show is under the direction of Will Chapman, who is a member of local lodge, No. 1289.

War between Costa Rica and Panama, growing out of the present boundary dispute, will not be tolerated by the United States.

NOTED WRITER AT CHAUTAUQUA

Peter Clark MacFarlane, who has been coaxed out of his cozy California study for the summer by the Ellison-White Chautauquas, could well rest a claim for fame on many other things besides his widely circulated stories and books. His fame as a writer is wide-spread throughout the land. It is not so well known that he is a remarkable interviewer of great men. There are few great personages of the last decade who have not honored him with something of their confidence: Roosevelt in the wilds of Arizona, Goethals in the heart of the Canal Zone, Woodrow Wilson on the porch at Sea Girt, the silent Colonel House, and mysterious generals like Wood and admirals like Sims and Redman and Fiske. MacFarlane is an intensely interesting speaker. He appears at the Chautauqua tonight.

LOCATE ART, MUSIC AND LITERATURE ON RIVERDALE

ABOUT 70 JOIN AT FIRST METHODIST CHURCH SUNDAY

RECENT ARRIVALS ADD MUCH PRESTIGE TO THIS CITY AS CULTURE CENTER

It is not often that the arts and literature are so well represented on one block as on Riverdale Drive at the present time.

Painting, sculpture, literature and music of a high order are in a class by themselves. They occupy a field of accomplishments that is not overcrowded, as is the case with so many lines of endeavor. There are, of course, followers of these arts who are mediocre, poor and even some abominable. "By their works ye shall know them," applies with peculiar aptness to each individual artist, sculptor, writer and singer.

Glendale boasts and is proud of the large number of gifted personages within its gates. It is by chance only that three reside on one block of one street.

Mrs. Catherine Shank, Vocalist
Mrs. Catherine Shank of 433 Riverdale Drive is a well-known and accomplished vocalist, and needs no introduction to the Glendale public, having been a resident for nearly fourteen years. Mrs. Shank studied in both Paris and London. She has a studio in Los Angeles, where lessons are given in voice culture to those fortunate enough to be enrolled as students.

Mrs. Mary Fox, Artist, Sculptor
Mrs. Mary Fox of 467 Riverdale Drive has only recently become a resident of Glendale, having come here about the middle of February.

Mrs. Fox is a gifted artist and sculptor. For eight years she resided at Juneau, Alaska, which country abounds with the picturesque in nature, affording innumerable subjects for the artist's brush. Among the Alaska paintings deserving of special mention are "The Muir Glacier" and "The Mendenhall Glacier," both located near Juneau; a painting showing the towns of Juneau and Douglas in the distance. Among the California subjects is one of the big tree, "General Sherman," in Santa Cruz county; another, "San Pedro Point," near San Francisco.

Among her pieces of sculpture is one of herself, which she executed from her reflection in a mirror; another is a child's head. A photograph is shown of a bust nearly completed with the subject sitting in the same picture, which shows the reproduction to be a most excellent likeness. Mrs. Fox has had some of her works of sculpture on exhibition in the San Francisco Art Institute, which in itself is a mark of distinction. Some of her paintings were unfortunately burned in the San Francisco fire.

Mrs. S. C. Hazlett-Bevis, Author, Poet
Also a new resident of Glendale is Mrs. S. C. Hazlett-Bevis, author and poet, having located at 470 Riverdale Drive about six months ago, coming here from New York City, where she had resided for twenty years, prior to this residing in Boston for five years, having gone to Boston from "the wild and woolly west," Cincinnati.

Mrs. Bevis has been a writer of prose for thirty years and a poet since birth. Before her marriage in 1888 she was a member of the editorial staff of the Cincinnati Post, after which she abandoned newspaper work and devoted herself to literary writing, in which she soon became distinguished. She has issued one volume of poems in book form in addition to her prose writings, which number over 300 serials and short stories published in book form or in magazines and papers. She organized and was the first president of the Woman's Press club of Cincinnati.

In recognition of her standing, a large picture of Mrs. Bevis was hung in the "Gallery of American Celebrities" at the Paris Exposition. She was at the time a vice-president of "Alliance Universelle des Femmes pour la Paix" of Paris.

Somewhat Acquainted
When visiting the Paris Exposition, a guide conducted the party through, and when before this picture, not noting the resemblance, said:

"Now, madame, here is a lady whom you probably well know, being one of the most distinguished American writers."

To which she replied:

"Yes, I am slightly acquainted with her."
Mrs. Bevis has made many pilgrimages abroad, having crossed the Atlantic fourteen times, and residing for several months at a time in London, Paris and Naples. When in London she was a member of the Writers' and Woman Journalists' club of London.

Mrs. Bevis is a member of the Episcopal church. She is now engaged in writing scenarios for a New York producer.

In the past two years many theological seminaries in France have become crowded by former French officers, some of high rank, who want to enter the priesthood.

Fourteen hundred army officers are on duty in Washington.

RESULTS OF JOHN E. BROWN CAMPAIGN IN EVIDENCE; BANQUET ON FRIDAY

Although the tabernacle meetings are over and John E. Brown and his workers are gone, there are abundant evidences that a good work was accomplished in Glendale. New members are presenting themselves to the churches and old members show increased interest and activity. When the invitation was given by Dr. C. M. Crist at the First Methodist Episcopal church yesterday morning so many responded that there was hardly room for all in front of the choir rail. About seventy persons were added to the church yesterday.

Dr. Crist preached two earnest sermons along evangelistic lines. Morning topic, "The Church That Wins," text, Acts 2:47, "And the Lord added daily to the church such as were being saved." He said in part:

"It is inspiring to read of Pentecost and that outpouring of the spirit upon the early church. Of the courage and consecration of the 120 who comprised the entire membership. How in response to Christ's command, 'go,' they went, communicated the going to others. Each and every age has had its revivals that has blessed the church, and we have experienced them in our day. I am for the past success of the church, but more thankful it is not confined to the past. The golden age is ahead of us; greater things in the spiritual realm await us. I rejoice in interdenominational efforts, but the greatest evidence of success is the daily conversion and additions to the church."

Need World-Wide Vision
"We need a world-wide vision. John Wesley said, 'The world is my parish.' This is the aim of Methodism. The launching of the century is the greatest vision since Pentecost, and its completion the great task that confronts us. The baptism of the Holy Spirit was the secret of the success of the early church; not numbers—consecration and earnestness. We, too, need this baptism—a conviction for some definite task. There's a place for every one; to have success we must be a progressive church; not only alert to meet new opportunities, but anticipate them. In that spirit we have chosen a director of religious education for our church—to direct the young minds into pleasant and profitable exercises; to open up constructive activity."

"The success of the church calls for additional efforts. We cannot always meet new conditions with old methods, but we can always employ the same loyalty and consecration of our fathers and forefathers; never so many calls as today in educational, missionary, social reforms and civic life problems; we must enter all these spheres. Pray for their success, but not to stop them; Satan would be delighted if we did so. Apply to their solution new methods and new facilities, but remember that while methods and manners may change, the truth does not. That the old gospel is the power of God unto salvation; that it centers in Christ, who said, 'And if I be lifted up will draw all men unto me.' The ambition of my life is to exalt Christ."

Pastor's Evening Address
The evening address was on Christ and the blind man, with a present day application. Salvation was purchased for all by Christ shedding his blood upon the cross, said Rev. Crist. He urged acceptance by and progress through daily Bible study and prayer, taking heed how we walk on the human side.

Following the sermon an experience meeting was held and following this an informal reception was held for Rev. C. E. Olmstead, a returned missionary from Burma, who is visiting his parents, Mr. and Mrs. E. H. Olmstead, 911 East Lomita street, Glendale.

By an official act of the officers of the First Methodist Episcopal church of this place he became their pastor in the foreign field, receiving his support and becoming the representative of this church in the far distant Burma. From here Mr. Olmstead goes to the Garrett Biblical institute in Evanston, Ill., for a year's course. Then back to Burma to become the head of an institution to educate native young men for Christian service in their land.

Events for the week at the church are as follows:

Wednesday night, prayer service, followed by illustrated address.
Brotherhood banquet Friday at 6:45, followed by an address.

Power Of Love Shown In Film At Glendale

That love can do much to erase the stain of prison from a man's heart was the thought carried away last night by those who witnessed the first showing here of "The Unknown Wife" at the Glendale Theatre again tonight.

Edith Roberts, as usual, was irresistible in the leading role. She portrayed the part of a young girl who falls in love; or perhaps we should say, a young man falls in love with her. He is the leader of a gang of crooks but his little partner soon convinces him the straight life is the best. They are married and seek their fortune in a large city. The police continue to hound the youth but his love guides him in the path of right. His past is buried eventually but it is that part of this Universal picture which holds such a strong appeal to young and old.

This is one of Miss Roberts' best productions and her personal appearance here last night won many new friends and friendly comment. "World's Apart" with Eugene O'Brien is tomorrow's feature.

No less than \$85,000 in prize money will be awarded to the automobile race drivers of the international 500-mile race at the Indianapolis motor speedway on Monday, May 30.

The \$4,065,000 automobile tires manufactured during 1920, piled on top of one another, would reach to a height of 2784 miles—a distance almost as great as across the continent.
